A special “thank you” to the parents who worked at the concession stand this year and for those of you who may have worked additional shifts, we truly appreciate the extra hands. Thanks to the students for their help in cleaning up the gym.

☺ Thanks to all who donated blood during the annual Spring Blood drive! We had 78 people present to donate blood. We were hoping to collect at least 44 units of blood, and we ended up collecting 65! That means our total for the year is 222 units of blood. Thanks for taking time to help others in need. Great job everyone!
